EDUCATION

SLTC Research University

BSC(Hons) in Software Engineering SLTC Research University | Padukka.

2020 - 2024

3.4/4 GPA

- Software Methodologies
- Fundamentals of UI/UX designing
- Human Factors in Computer Systems
- ER,UML,Sequence diagrams
- Data Technologies

PROJECTS

Car Renting Website - RentExpress   **2022**

car rental system is an innovative project that provides customers with a variety of vehicle options and flexible rental periods. an take control of their journey and travel with ease.

- JavaScript / Html / CSS
- Adobe XD / Figma

Front-End Development for an Online Blood Bank Management System - OnLife   **2022**

This involves creating visual elements like buttons, forms, and menus, along with features for users to search for blood donations, schedule appointments, and manage their profiles. The goal is to ensure that users can easily access the necessary information in a seamless manner.

Library Automation System   **2021-2022**

The system comprises an Arduino microcontroller, RFID readers, and tags attached to library books. Users can use their library cards to check out books and return them by scanning the book's tag. The system maintains real-time book status and reduces the risk of misplaced or lost books. Additionally, it provides library staff with a more efficient and organized way to manage the library's inventory. No Need Human interaction More.

ABOUT ME

I am a final year software engineering undergraduate at Sri Lanka Technological Campus. I am persuing mycarrer through front-end development skills, graphic design skills and seeking for an opportunity to create user interfaces which suites better for web apps and mobile apps by applying appropriate skills. I can work in team and perform like a good team player and currently looking for an entry-level position to perform to the best of my abilities and expose my skills to my country and the industry.

EXPERTISE

- Coding Skills
- Digital Marketing
- Leadership Skills
- Critical Thinking
- Communication Skills

LANGUAGES AND TOOLS

- JavaScript / jQuery / Angular
- Html / Html 5
- CSS / Tailwind
- Java
- MySQL
- Figma / AdobeXD
- Adobe Photoshop / InDesign
- Azure Cloud Services

CERTIFICATION

- Foundation of User Experience (UX) Design - Google   2022 - Mar
- Cloud Computing Applications- Cloud Systems and Infrastructure - University of Illinois Urbana - Champaign
- Use Experience for Web Design - LinkedIn Learning
- Certificate of Robot Processing Automation -SimpliLearn - 2022
- Introduction to Basics of Azure Cloud Services -SimpliLearn
- introduction to IoT - SimpliLearn
